

# **Homework**

## **May 7<sup>th</sup> to May 11<sup>th</sup>**

### **Reading Comprehension**

-Temperature

Air Pressure and Wind

### **Math**

Reteach: 6-5 and 6-6

7-9 and 7-10

7-11 and 7-12

7-13 and 7-14

### **Science Project: Due May 18<sup>th</sup>**

Students are to create a replica of the Solar System, including the Sun, all nine planets, the asteroid belt, and Earth's moon. You may choose to use a store bought model, or you can use items found around the home. Please try to keep it small enough to fit on the students desks. Also, all parts of the solar system need to be labeled.
