**Objective**- Introduction of state standards that are aligned with the high school exit exam and the CAT6. The exit exam is a state mandated test and must be passed in order to graduate from high school in California.

**Assessment**- Students will be assessed for comprehension of the state standards through written assignments, weekly quizzes, and exams

**Classroom Management**- Students will be required to come prepared for class and provide an environment that is conducive to learning. If they do not, they will be warned. Parents will be notified or student may be sent to RCC. If the undesired behavior becomes habitual, they will be referred to the vice principal for discipline.

**Grading Policy**- Student's grades will be based on attendance, classroom participation, completion of assignments, tests, and *AR points-minimum of 15pts. per semester*

A= work that is completed, ninety percent or more correct, and neatly written. The assignment is well thought out and turned in on time.

80% -89%	B
65%-79%	C
55%-64%	D
54% and below	F

**Absences**- A student may not receive course credit if absent 13 times a semester according to board policy.

**Homework Policy**- Homework assignments are assignments that students do not finish in class. If the assignments are not returned the next day, they will not receive any credit. It is the student's responsibility to make up their assignments when absent. They are responsible for their grade. A grade is not given. It is earned. So do the best that you can with all assignments. Effort counts!

\*Students are **required** to be prepared for class **everyday!** This includes bringing writing utensils, books, and notebooks to class.

\*Students are expected to participate in classroom activities and assignments. It is understood that students will not understand every assignment given. but it is their responsibility to seek the help of the instructor.

\*Students **will not** be allowed out of class for any reason! This includes going to lockers and bathroom!
