

**DOS PALOS BRONCOS**  
**FIGHT SONG**

**We're marching on, we're marching on to victory  
we're gonna win for you and me  
'cause we're the team that's going to fight tonight  
and earn the right to win.**

**We're marching on, we're marching on to victory  
we're gonna win for ol' D.P.  
'cause we're the team that's bound for fame  
and our name in history**

**We'll beat them , oh no, we'll never lose  
We'll beat them, so join with me and cheer the team  
in the blue and gold.**
